FUNDRAISER

The LCA Experience

LCA is committed to supporting local businesses and organizations. In addition to the FUN your attendees will experience, LCA will also provide an Event Manager to support your organization's efforts and make your FUNdraiser a success! We are in this together.

How the FUNdraiser works?

- Pre-Sale Tickets for your FUNdraiser at a price you set.
- \$300 to book the event with supplies for up to 10 persons
- For each person ages 12 and up, over the 10 persons covered by the initial booking cost, you only pay \$10 for supplies and the remainder of the ticket price is your profit. For each child ages 6-11, you only pay \$5 for supplies.

If you sell 50 tickets for persons 12 & up, at \$25 per ticket, your profit will be calculated as follows:

Ticket Sales:	\$1,250
Booking Cost:	\$ 300
Addn'l Persons:	\$ 400 (40 x \$10)
