

LEADERS ALIGNING *For* RESULTS

Lead People + *best* Practices
= *student* Progress

Executive Leadership Retreat

Retreat with Cabinet and District Office level leaders to assess the readiness of the leaders in the organization to lead change and the organization's culture to strategically determine what change, how much change, and when the change needs to happen.

Leadership Launch

Facilitated convening of Cabinet, District Office, and Site Leadership to align leadership, link initiatives, identify and remove barriers, identify consistent commitments, and identify data and data practices for progress monitoring.

Leadership Coaching

Group and individual leadership coaching to support leaders as they implement strategies and consistent commitments to contribute to the organization's goals and results.

Community Convening

Facilitated convening of community stakeholders to collect impact and capacity data to be considered by leadership when selecting strategies and consistent commitments.

**Be intentional
with resources.**

**People.
Time.
