

SHAKENYA EDISON

Leadership Practitioner
Educational Strategist

LEADING PEOPLE *For* RESULTS

Enhance your PASC and CASC programs!

- **System Design & Infrastructure**
- **Strategic Resource Allocation**
- **Leading People & Change Management**
- **Progress Monitoring & Data Intelligence**
- **Centering Vulnerable Student Groups**
- **Cross-Sector Collaboration**

These sessions help leaders design just systems that support the whole-child by allocating resources equitably, managing change well, using data for continuous improvement, centering underserved students, and partnering with community to expand opportunities and access.
